I Bought My Yearbook

G.W. BRACKENRIDGE HIGH SCHOOL

LA RETAMA

It's all about memories. Memories of special friends, special teachers and special days. Remember those fun-filled times forever. Your yearbook captures the events and people that make your experiences here at BHS so special. Some of these memories might be forgotten if you do not order this yearbook.

Your LA RETAMA yearbook staff will capture all these great moments with photos taken and stories written by BHS students for YOU! The entire school year your Yearbook Staff will create a beautiful hardcover book filled with events happening here on your campus. It is the only detailed record of your 2012 school year and it is from the same perspective you have - from students.

Finally, you will have a history book that you will want to read to your children and grandchildren!!!
